Salt Water Diaries

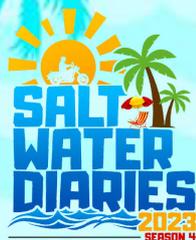

Season 4

Winter is here, and what better way to celebrate the season than a mind-blowing getaway? The 4th edition of #SaltWaterDiaries is all about living local and experiencing the coastal culture, beach hopping, unwinding in cottages and relishing authentic, home-like food.

Picture this: Serene sunsets, invigorating treks, dolphin spotting, star gazing, homestays, ferry rides, Konkani, Malvani & Goan cuisine, and a dip in the sea at every interval. Ride hard throughout the day on the scenic coastal route and spend your evenings with chilled beer on the finest beaches of India!
